

Dear FCC:

I did not submit the following comment:

"Proceeding RM-10352 Type Code: CO Date Received: 01/24/02
Filed on Behalf of: W. Tippet"

The person commenting was apparently WA7LT Charles LaMar Ray who clearly identified himself in his attachment. Apparently he accidentally entered my name in Box 3 of the submission form instead of his own.

Thank you,

William R. Tippet W4ZV
